# Iowa Workforce Challenges

- Iowa has one of the lowest unemployment rates in the nation.
- The tight job market is creating challenges in filling open positions.
- Employers are seeking skills many job seekers don't have.

# How can Iowa's private colleges & universities help?

- Twenty-five campuses across the state for local companies. Critical for place-bound students.
- Flexible classes – part-time classes could be incorporated into a full- or part-time employee's schedule.
- The expansion of the ITG requirements means more students qualify. Adult learners are also eligible.
- There are additional financial assistance options available for employees.
